June Meeting: Thanks to our demonstrators, we had a productive hands-on meeting.

Picnic!

In lieu of an August meeting at Woodcraft, Frank & Mary Lynn Hutchison will be our hosts for the summer picnic. Saturday, August 4, from 4pm to 7pm. The club will provide the main course (hamburgers/hot dogs) and soft drinks, please bring a side dish or dessert to share. If you want something other than soft drinks bring that too. Bring along a couple folding chairs if you have them. Frank's place is in the valley at 2206 S. Balfour Blvd. From the freeway take the Argonne exit, travel south on Argonne to Dishman-Mica, continue to 19th. Turn left on 19th, right at the 'T', pass the swimming pool, fourth house is Frank. This is a great chance to socialize with club members and their spouses and enjoy the wonderful Spokane summer outdoors.

Norfolk Island Pine:

Except for the occasional reminder that Woodcraft provides our club with a meeting classroom, we typically don't promote commercial businesses. But considering there is rarely anything on the sharing table made from Norfolk Island Pine, Carl points out that Choice Woods has some available at reasonable prices. This is great stuff to turn and produces very interesting work. See the link:

The Table:

End grain clock

Persimmon from last month's wood alert

Hayes' floral rim

Steve's chess set

See you at the picnic
