President's Message

We started the month off with a demo on how to prepare a piece of wood to put it on the lathe. The idea was to start with a round log, and make it into a piece that was ready for a face plate, wood worm screw or to be mounted between centers. I think the demo helped some see the process and understand how to 'get there.'

Our next meeting on October 1 will feature Carl (Bodenstein) and Ron (Valley) talking about scrapers and carbide tools respectively. They will address the proper use of each and the care of them. The following month (November 5) Craig Timmermann will join us again as our demonstrator. His topic has not been finalized yet, so if there is something you want to see Craig do, just give Don (Bradway) your input.

The Vet's Garage is now open at their new location, 224 E Pacific. John Gay will be their giving lessons on Friday from Noon till I will start up again in October on Tuesdays.

Dale (Scott) will be cutting down a bunch of Cottonwood, Aspen and Alder over the next 18 months. Dale lives in Newport.

Several months ago, Gene Turner told us about a friend who was going to cut down 2 crimson Maples in his front yard, and wanted to give the wood to the Club. Well the time has come, and by the time you read this, We will most likely have a lot of the Crimson Maple out at Carl's 'wood lot.'

Doug, INW President dougeaton@mac.com

Announcements

Show and Tell / Exhibit Table: Please bring your current work. We anticipate having a table for critique for those that want constructive appraisal, as well as a table for those that just want to show their work without critique. We encourage learning and getting new ideas from evaluation, but some work needs none, and some artists prefer not to participate in that fashion. The choice is always yours !

Raffle Table: Please feel free to bring extra wood, new or used tools, or other items for the raffle table. The money raised from the raffle helps us maintain day to day operations of the club.

Treasurer's Message:

Dues are per annum, beginning at each New Year, January 1, 2019. Renewal dues are \$35.00, including family memberships, with students registered as members for free.

We prorate annual dues for NEW MEMBERS ONLY till June 30th, after which a minimum dues for the remainder of the year is \$20.00. Current new members pay \$32.50 for sign ups in February and March. Make checks out to Inland Northwest Woodturners or INW for short. Or see Treasurer Carl at a meeting. Please remember membership dues for INW have no relation to membership or dues for AAW, which is encouraged.

Also note that we have a limited supply of gouges left from our sub-wholesale purchase from Serious Toolworks. Please go to the Store page on the INW Website for details and prices. Excellent gouges at a great price !

WEBSITE UPDATE: our website is up and running and getting better all the time. Members and visitors are encouraged to view the new features at: <http://inwwoodturners.com/>

FUNDAMENTALS AT RIVERVIEW: On the third Saturday of each month there are demonstrations and opportunities for hands-on experience under the mentoring of more experienced club members starting at 9:00 am until ?????

Riverview Retirement Community is located at 1801 E Upriver Dr, Spokane, WA 99207 and the workshop is located just south of the main entrance on Ross Ct.

2020 Board of Directors	
President	Doug Eaton

Webmaster	Tammy Wilson
Newsletter	Dale Scott
Librarian	Sabrina Murphy

General Meeting

October 1st, at 6:30PM

Zoom Meeting

Members Only

See Carl's Email

Any comments or suggestions or additional content would be very much appreciated. Email to: dalecscott@gmail.com. Please put "WoodTurner" in the subject line.

Volunteer Opportunities

The Inland Northwest Woodturners is a volunteer organization

Meaning that everything is performed by members who give of their time to conduct the business and activities of the organization. Besides helping to promote woodturning, volunteers also develop friendships by working alongside their fellow woodturners and you can learn new skills as well.

Volunteering is not time consuming. Board members spend 6-10 hours a month on their duties but most volunteers only contribute at meetings or special events. For example, the video assistant is responsible for setting up and operating the video equipment during our regular monthly meetings. It usually takes less than a half hour to set up before the meeting and 15 minutes to take down after the meeting - and the rest of the time is during the meeting - and you're already at the meeting!

▪

Give of yourself - help your fellow woodturners (and yourself) and have fun while you're doing it! Training will be provided!

Wanted / For Sale Items

For Sale --

Oneway 1018 Lathe

Excellent running condition, an absolutely stable and stout lathe that is as robust as the larger Oneway lathes.

220 volt motor

Variable speed with reverse

\$300

Damon 509-319-5174

Wanted / For Sale Items

For Sale

Chainsaw Mill with Guide Rails

The mill fits chainsaws that have a bar of 14" to 36". Cut planks from 1/4" to 12" thick. The guide rails are 3 sections so you can have a rail of 3', 6' or 9' depending on the log you want to mill. Great setup, easy to use, lightweight. Has very little use. \$225 for everything. Damon 509-319-5174 or bruadair@gmail.com
